COMMODORE 64 USERS

Dear User,

I would like to congratulate you on your recent purchase of a Commodore 64 Micro-Computer.

A number of our customers have expressed an interest in forming a User Group specifically for the Commodore 64. We at PANATRONICS would like to invite you to the inaugural meeting to be held at our office on Tuesday 17th May, 1983 at 7.30pm.

As we have a shortage of seating, I would suggest you bring a long a picnic chair.

It is our intention to cater for the needs of the novice user as well as the experienced user with the main function of the group to be the exchange of information and techniques.

If you would like to participate in the inaugural meeting, I would ask that you phone us and register your intentions by 12th May, 1983.

Yours faithfully

Neil Brandie
General Manager
